Get to Know us.

Fast Freight Forwarders Ltd (FFF), an associate company of AtoZ Group Ltd, is a leading logistics and transportation service provider in Tanzania. Established in 2011, FFF operates a **modern fleet of over 150 trucks, ranging from 6 to 30 tons,** delivering efficient and reliable transport solutions across East and Southern Africa.

We specialize in **containerized and loose cargo transportation, fuel logistics, crane hire, and abnormally wide cargo** handling. Our vertically integrated structure includes a fully equipped workshop and skilled maintenance team, ensuring our fleet remains in top condition and minimizing downtime.

At FFF, we're powered by a dedicated team of professionals who maintain clear and consistent communication with our customers providing updates, transparency, and peace of mind throughout every delivery.

With a strong commitment to **professionalism, reliability, efficiency, and customer satisfaction,** we ensure every consignment reaches its destination safely and on time.

Our Services

Local & Cross-Border Transportation

Reliable cargo transport across Tanzania and neighboring countries, including Kenya, Uganda, Rwanda, Zambia and Malawi.

Containerized & Loose Cargo Handling
