AtoZ Mall

Welcome to AtoZ Mall – Arusha's Premier Commercial Destination.

Strategically located in the bustling commercial heart of Posta Meru, Arusha, AtoZ Mall stands as a landmark of modern architecture and business innovation. Recently redesigned for extensive renovations to meet international standards, this premier multi-story development seamlessly merges vibrant, high-traffic retail environments with sophisticated professional corporate spaces.

Designed with modern businesses in mind, AtoZ Mall is intelligently zoned across three distinct levels to optimize foot traffic, maximize brand visibility, and foster a productive corporate culture:

Ground Floor | The Retail Hub: Engineered for high foot traffic and maximum accessibility, hosting over 20 distinct retail units ranging from boutique spaces to prominent, high-visibility corner shops.

First Floor | Showrooms & Anchor Stores: Featuring 11 expansive, large scale layouts engineered for maximum visibility perfectly suited for flagship showrooms and anchor tenants.

Second Floor | The Corporate Zone: A refined environment featuring 11 professional suites and service-oriented spaces designed for privacy, operational excellence, and corporate prestige.

Whether you are looking to launch a flagship retail store, expand a boutique brand, or establish a commanding corporate headquarters, AtoZ Mall offers the ideal canvas for your business to grow and thrive in Arusha.

Welcome to the Commercial & Logistics Hub.

Strategically designed to meet the dynamic needs of modern trade, retail, and corporate operations, this premium business center offers a versatile, fully integrated commercial ecosystem. Designed to combine high visibility retail fronts with specialized office infrastructure and heavy duty logistics facilities, this development serves as an all in one destination for businesses looking to scale their operations.

The property is intelligently structured into four distinct commercial zones to ensure maximum operational efficiency, premium accessibility, and dedicated space for every aspect of your business:

Retail Fronts | Single Shops: Positioned on the side road featuring durable solid tarmac surroundings, these independent units offer an efficient 37m² layout complete with communal toilet facilities.

Premium Retail | Double Story Shops: Commanding a prime position on the main road, these expansive 110m² split level retail spaces feature a private internal staircase and a dedicated indoor toilet in each shop.

Corporate Suites | Office Spaces: Housed within a dedicated floor building totaling 765m² of unfurnished space, this zone features executive offices, 4 professional boardrooms, a tweny five desk communal office, two large showrooms, parking with 24/7 security, and comprehensive amenities including a kitchen, toilets, a bedroom, a filing room, and a prayer room.

Logistics & Storage | Modern Godowns: A secure, fully refurbished logistics complex featuring 24/7 security, washroom facilities, and a diverse range of high-capacity warehouse layouts of 700m² plus
Whether you require a high traffic retail storefront, a prestigious corporate headquarters, or large scale warehouse distribution storage, this premium business center provides the complete structural foundation for your enterprise to excel.
